*Color variation commonly occurs with many products and varies plank to plank. Actual item color and tones may vary from what appears on your screen due to the lighting during photo shooting or your device's screen display. When making your selection, we recommend utilizing the sample boards in the showroom to get a more accurate representation of the product coloration. Manufacturer accepts no liability for claims resulting from variations in color, character, grain or finish between the online photos, samples, and your installed flooring.

PERFORMANCE

Harmony/Symphony Collection: **Harmony** is an engineered rigid core hardwood flooring product and the newest trend in wood floors. **Symphony** is an engineered bamboo rigid core flooring product and features a modern twist to conventional bamboo. Its unique construction features a real strand woven bamboo wear layer that is 100% waterproof. Both collections using unique construction features a real wood or strand woven bamboo veneer that is completely waterproof and coated with our signature Aluminer™ UV-cured aluminum oxide finish. Designed in wide-width, random length planks to create an unparalleled design in any atmosphere.
