Color variation commonly occurs with many products and varies plank to plank. Actual item color and tones may vary from what appears on your screen due to the lighting during photo shooting or your device's screen display. When making your selection, we recommend utilizing the sample boards in the showroom to get a more accurate representation of the product coloration. Manufacturer accepts no liability for claims resulting from variations in color, character, grain or finish between the online photos, samples, and your installed flooring.

PERFORMANCE

Valor Collection: Valor, a reactive finished engineered hardwood flooring features pre-finished, premium-grade, White Oak, or Maple plank species with a wire-brushed or smooth appearance. This two-ply constructed product features a pine base and our signature Aluminer™ UV-cured aluminum oxide finish. Our planks feature a tongue and groove construction, wide-width and random length bringing quality and flair to the modern home.

BUXTON-WHITE OAK

A close-up photograph of white oak wood planks, showing the natural grain and knots. The planks are arranged in a staggered pattern, typical of a hardwood floor. The color is a light, warm beige.
